

KUMBHA (Aquarius)

Dhanishta (3,4), Satabisha, Poorvabhadra(1,2,3)

Career: Choose compromise over competition! This month, Professionals will play to their strength that will shape their career trajectory upwards. Be wary, as overstepping the turfs will fan power struggles with colleagues. Leaving things to chance will cause stall and stops in a key presentation for those in Marketing. Pressure by the seniors will compete with your desire to launch or do things your way in an upcoming venture. During the Full Moon on 13th, Entrepreneurs will magnetize investors that will put money behind their expansion plans. New sources of income or a lucrative contract will pop up for Freelancers. For Job-seekers, increased visibility in the industry circuit will bring them satisfactory work offers. Avoid rushing into any collaborations and partnerships. For Artists, a much-awaited creative project will take a backseat.

Wealth : Let the experts handle before putting in your earnings in Real estate deals. Speculations will bring in disappointing returns. The Full Moon on 13th, will open new sources of income that will usher you onto firmer fiscal footing. Foreign backed financial deals will result in rich yields. Avoid getting into any loans or debts to make up from temporary cash-crunch. Making any financial gambles will result in financial setback. Be prepared to budget for some unexpected extra expenses. Halt all plans of re-selling or liquidating any assets.

Personal: Grab the wheel back from your ego! This month, it is prime time to transform any unaddressed emotions and overcome fears that was brushed aside. Presenting a calm and a cool front will help deflect any disputes and disagreement with loved ones. After 14th, tensions will spark with loved ones without warning. Around the New Moon on 29th, women will easily stumble on spontaneous moments that will lead to new friendships and adventures. Singles! be sure to check out all your love options before committing. An unexpected journey will prove to be handful in terms of expenses.

Health: Struggling with those spring-fitness resolutions! Stamina and energy will be on the downswing causing recurring ailments to resurface. Those suffering from heart, blood pressure or circulation, headache, or eye issues need to be extra careful. After 14th, practising self-care will help to keep stress

related issues at bay. You will feel healthier and rejuvenated, by incorporating mindfulness practices like Yoga, Meditation or some other form of exercise.

Dhanishta (3,4): You will be watching your health or diet, but may be suffering from tension headaches or lower backaches.

Satabhisha: There will be tension related to travel plans.

Poorvabhadra(1,2,3): Unresolved personal affairs or business matters will weigh heavily on you.

Vedic Remedies: Donate blankets and rice to the poor. Offer Maa Lakshmi Lotus flowers or pink coloured flowers, every Friday. Recite Aditya Hridaya Stothra daily in the morning.

Lal-Kitab Remedies: Maintain harmonious relations with government officials. Talk to important people after Sunset.

Cautious Dates: 14, 15, 16.
