

MEENA (Pisces)

Poorvabhadra (4), Uttarabhadra, Revati

Career: Time to strengthen the foundations! Hit the pause button, before simmering tensions reach to a full boil with seniors. Test the waters with small, concrete steps, before hastening towards partnerships. Flaws in the foundation will bring a new launch into a complete halt. Be wary as lack of decisive action will cause Job-seekers to miss a promising employment offer. Full Moon on 13th, a calculated risk on a venture will yield profits on a large scale for entrepreneurs. A lucrative deal will amplify the paygrade of Freelancers. You will gain competitive edge over their rivals for their creative and 'out of the box' ideas. Be wary, as co-workers will take the seat of rivals creating strong oppositions on a key presentation at workplace. Tackling the finer details will help those in Marketing to find a breakthrough in a stalled project.

Wealth: This month, stay alert to any financial warning signs. Exercise restraint in making any legal action or getting talked into filing any lawsuits. Take your time to read the fine print, before putting your savings in speculations. Avoid entering into loans, as it will put a strain in your cashflow later. Budgetary issues and unpaid bills will drive up the expenses. After 14th, be extra vigilant, before officializing real estate deals, as it will bubble into financial struggles later. Step away from market share investments, to avoid financial instability.

Personal: Emotions are super-charged! This month, the universe is asking you to re-assess your living situation and relationships at home. For couples with emotions on edge, tensions will be running high. Choosing your words wisely will keep things from spiraling into unnecessary conflicts for women. Around the Full Moon on 13th, for singles, romance will flourish in the most unremarkable setting, so stay open. Giving into distractions will cause students to witness a dip in their academic performance. This month, excessive indulgences, when travelling, will turn into a costly lesson.

Health: Healthy hedonism! This month, bring forth a wake-up call to take better care of your health. Ailments related to stress, stomach, seasonal flues or eye will aggravate, if left untreated. Around the Full Moon on 13th, rest,

exercise, and a balanced diet will help you earn bonus points in the health department.

Poorvabhadra (4): All obstacles or vicissitudes will be overcome, and you will be in a much more positive frame of mind.

Uttarabhadra: You will be annoyed by a misleading information, which might delay your launching date.

Revati: Friends will be unable to come together, as planned.

Vedic Remedies: Feed the cows, at least once a day, before you sit to eat. Recite surya mantra daily 108 times. Recite the Ketu stotra, whenever you can.

Lal-Kitab Remedies: Always fulfill your promises Don't involve yourself in others' disputes
